My Food Bag NZ
Office case study

Leading home delivery food service, My Food Bag has unveiled their new nerve centre in Parnell, Auckland, designed by Yellow 6 Design and Platform Consulting Ltd. The freshly designed headquarters of My Food Bag in Parnell, Auckland features a consolidated office and kitchen space with a concept inspired by My Food Bag's seasonal menus.

From working kitchens and showroom spaces to office breakouts, the stylish interior facilitates the unique and functional requirements of the My Food Bag staff whilst providing an inspired workspace that reflects part of a season for each area –from spring to winter.

When it came to the 'summer' area which includes the work hub for the customer support teams and the photography kitchen showroom, Karndean luxury vinyl flooring was selected for its renowned durability, waterproof properties and realistic timber look finishes.

Sector: Office space

"From previous experience, I know that Karndean's timber look planks are great in high-traffic areas, especially in an office with high foot traffic," commented Yellow 6 Design interior designer, Saila Wang.

"It not only looks great it's easy to clean up any food spillages, but it's also more cost-effective than real timber - so it's great for commercial projects."

The two levels blend exposed ceilings, concrete floors, and floor-to-ceiling windows, and the use of Karndean timber luxury vinyl tile helps to keep it warm and homely for this modern office environment.

"We needed to keep the pallet light and fresh in the 'summer' area," adds Saila.

"We chose Niveus from the Opus collection as it has a great colour tone and looks amazing in herringbone."

"Everyone is very pleased with the overall look and the staff now have an amazing summer-inspired café."

Formats

We offer three types of product formats: Loose lay, rigid core and gluedown.

Loose lay

Karndean LooseLay features our K-Wave® friction grip backing which helps hold the product to the subfloor without adhesive, making it quick and easy to install. Ideal for underfloor access panels and temporary roomsets, each plank can be lifted individually where required.

LooseLay Originals

1050 x 250mm plank, 500 x 610mm tile

LooseLay Longboard

1500 x 250mm plank

K-Guard+® Surface Protection
Clear PVC Embossed Wear Layer
High Definition Photographic Layer
Stability Layer
K-Wave® Friction Grip Backing

Rigid core

Our rigid core ranges are ideal for installations where acoustics, uneven subfloors or preservation of existing hard floors need to be considered. A click-locking mechanism allows for quick installation and the preattached backing eliminates the need for a separate underlayment.

Korlok

1420 x 225mm plank, 457 x 600mm tile

Van Gogh

1220 x 180mm plank

Knight Tile

1220 x 180mm plank, 305 x 457mm tile

K-Guard+® Surface Protection
Clear PVC Embossed Wear Layer
High Definition Photographic Layer
Stability Layer
Locking Mechanism
K-Core®
Acoustic Backing

Gluedown

Our gluedown ranges offer our widest choice of colours and formats. Features such as textured emboss or our premium handscraped finish, wide bevels or flat edges make each range unique to Karndean Designflooring.

Art Select

228 x 76mm, 915 x 152mm, 1219 x 178mm plank

Van Gogh

Karndean Evolve™

Karndean's commitment to creating a more sustainable future is a continuing journey, and there are no shortcuts. But Karndean know now is the time for everyone to begin taking bigger steps. Karndean's is a promise to think differently, act decisively, and create real change.

It's a promise to Evolve.

Five decades ago, the Karndean family-owned business was founded on innovation, bold action and a pioneering spirit. Fifty years later, those same ideals guide them forward. Because the future demands change.

Visit karndean.com/evolve for more information.

Confront climate change

Karndean's products prioritise sustainability through remarkable longevity, with a guaranteed service life of 35 years for domestic use. This extended durability has a significant positive environmental impact over time, promoting an eco-friendlier future.

Health & wellbeing

Karndean's products prioritise wellbeing, surpassing mere aesthetics. Free from harmful substances like heavy metals and unsafe phthalates, they're certified for indoor air quality post-installation. Our dedication to healthy interiors extends to using water-based or solvent-free adhesives, minimizing VOC emissions. Your health and comfort are central to Karndean's designs.

Inclusion & diversity

Third-party certifications for environmental and social responsibility, including fair treatment and safe conditions for workers. Karndean's factories prioritise recycled materials and recyclability, to ecofriendly product packaging, setting the benchmark for environmental responsibility. Certified manufacturing adhering to ISO 14001 and ISO 9001 standards.

Sustainable use of resources

Karndean prioritise the use of recycled materials in their products, with all of them incorporating up to 50% recycled PVC in their backing layers, sourced from post-production waste. We validate our contribution to reducing landfill and promoting recycling.

Inclusion & diversity

We prioritise equity, inclusivity, and diversity, fostering them through engagement and education. In our workplace, we celebrate everyone's contributions as responsible corporate citizens. These values influence our environmental policies, responsible sourcing/trading, and contributions to communities. Our founder's principles still shape our commitment to responsible operations.

Inclusion & diversity

We educate employees about the importance of sustainability, helping them understand what role they play and devise new ways of working. By conducting CPD classes and speaking engagements with organisations like the Green Building Council of Australia, we actively contribute to the training of professionals in the design, construction, and built industries.

Imagery and Design Reproduction

Photography and print cannot always produce a perfect representation of our products. This includes colour, pattern variation and installation elements used. For this reason we strongly recommend obtaining a product sample and where possible viewing a larger sample in-store. We also recommend visiting our website for information on installation, after care and product selection: www.kardean.com/advice. We love developing new ideas and improving on our existing designs which means that sometimes products are withdrawn at short notice. We hate to disappoint and will work with you to find an alternative design. Please contact Customer Service for more information.
