Clear Skincare Clinic

Retail case study

Clear Skincare, a leading skin, acne, cosmetic injecting, and laser hair removal clinic in ANZ, is making waves in the exciting beauty and skincare industry. Established in 1999 and boasting over 90 clinics, Clear Skincare is a proud member of the Australian Pharmaceutical Industries Limited (API) family, owned by Wesfarmers.

When it came to choosing a flooring solution for their clinic, Clear Skincare sought a balance between a contemporary aesthetic and a professional medical setting. They found the perfect option in Knight Tile Pale Limed Oak, laid in a stylish Herringbone pattern. This choice created an inviting and cozy atmosphere that softened the clinical environment.

Karndean has consistently provided Clear Skincare with exceptional service, professional advice, and unwavering support. Clear Skincare is delighted with the product's durability, ease of use, and availability, making it a reliable and long-lasting choice for their flooring needs.

The Pale Limed Oak planks from the Knight Tile ranges showcase beautiful bleached blonde and honey tones, offering a realistic colour variation and lighter hues. This practical and neutral flooring option perfectly complements the clinic's design. "Karndean are on top of their game providing highly professional advice, honesty, and support. Really happy with the timber look vinyl product supplied over many years with consistency, stock availability and a product built for ease of use - made to last." says Viktoriya Kalyuzhna, Senior Interior Designer from Zone Designs.

Knight Tile planks come with a 10-year commercial warranty, providing peace of mind for Clear Skincare. Whether they desire a classic or contemporary look, the versatile plank layouts, such as the herringbone pattern, make it easy to achieve the desired aesthetic. Furthermore, the LVT (luxury vinyl tile) flooring is resistant to non-corrosive liquids, staining, moisture, and temperature variations. This ensures that the floor remains intact without any shrinkage, expansion, or curling. In case of any damage, the individual tile and plank format enables swift replacement of the affected areas, maintaining the clinic's pristine appearance.

Formats

We offer three types of product formats: Loose lay, rigid core and gluedown.

Loose lay

Karndean LooseLay features our K-Wave® friction grip backing which helps hold the product to the subfloor without adhesive, making it quick and easy to install. Ideal for underfloor access panels and temporary roomsets, each plank can be lifted individually where required.

LooseLay Originals

1050 x 250mm plank, 500 x 610mm tile

LooseLay Longboard

1500 x 250mm plank

K-Guard+® Surface Protection
Clear PVC Embossed Wear Layer
High Definition Photographic Layer
Stability Layer
K-Wave® Friction Grip Backing

Rigid core

Our rigid core ranges are ideal for installations where acoustics, uneven subfloors or preservation of existing hard floors need to be considered. A click-locking mechanism allows for quick installation and the preattached backing eliminates the need for a separate underlayment.

Korlok

1420 x 225mm plank, 457 x 600mm tile

Van Gogh

1220 x 180mm plank

Knight Tile

1220 x 180mm plank, 305 x 457mm tile

K-Guard+® Surface Protection
Clear PVC Embossed Wear Layer
High Definition Photographic Layer
Stability Layer

Karndean Evolve™

Karndean's commitment to creating a more sustainable future is a continuing journey, and there are no shortcuts. But Karndean know now is the time for everyone to begin taking bigger steps. Karndean's is a promise to think differently, act decisively, and create real change.

It's a promise to Evolve.

Five decades ago, the Karndean family-owned business was founded on innovation, bold action and a pioneering spirit. Fifty years later, those same ideals guide them forward. Because the future demands change.

Visit karndean.com/evolve for more information.

Confront climate change

Karndean's products prioritise sustainability through remarkable longevity, with a guaranteed service life of 35 years for domestic use. This extended durability has a significant positive environmental impact over time, promoting an eco-friendlier future.

Health & wellbeing

Karndean's products prioritise wellbeing, surpassing mere aesthetics. Free from harmful substances like heavy metals and unsafe phthalates, they're certified for indoor air quality post-installation. Our dedication to healthy interiors extends to using water-based or solvent-free adhesives, minimizing VOC emissions. Your health and comfort are central to Karndean's designs.

Inclusion & diversity

Third-party certifications for environmental and social responsibility, including fair treatment and safe conditions for workers. Karndean's factories prioritise recycled materials and recyclability, to ecofriendly product packaging, setting the benchmark for environmental responsibility. Certified manufacturing adhering to ISO 14001 and ISO 9001 standards.

Sustainable use of resources

Karndean prioritise the use of recycled materials in their products, with all of them incorporating up to 50% recycled PVC in their backing layers, sourced from post-production waste. We validate our contribution to reducing landfill and promoting recycling.

Inclusion & diversity

We prioritise equity, inclusivity, and diversity, fostering them through engagement and education. In our workplace, we celebrate everyone's contributions as responsible corporate citizens. These values influence our environmental policies, responsible sourcing/trading, and contributions to communities. Our founder's principles still shape our commitment to responsible operations.

Inclusion & diversity

We educate employees about the importance of sustainability, helping them understand what role they play and devise new ways of working. By conducting CPD classes and speaking engagements with organisations like the Green Building Council of Australia, we actively contribute to the training of professionals in the design, construction, and built industries.

Imagery and Design Reproduction

Photography and print cannot always produce a perfect representation of our products. This includes colour, pattern variation and installation elements used. For this reason we strongly recommend obtaining a product sample and where possible viewing a larger sample in-store. We also recommend visiting our website for information on installation, after care and product selection: www.karndean.com/advice. We love developing new ideas and improving on our existing designs which means that sometimes products are withdrawn at short notice. We hate to disappoint and will work with you to find an alternative design. Please contact Customer Service for more information.
